

## **Welcome to the Niseko Village Kids Club - where every day is a new adventure!**

Nestled in the breathtaking beauty of Niseko, we offer an enriching experience for little ones aged 1.5 to 9 years. While you enjoy the slopes, they will explore, create, and learn within a safe and nurturing environment.

# Our values & approach

## Montessori-inspired learning

We give your child the freedom to explore and learn. With thoughtfully designed spaces and materials, they'll grow in confidence, independence, and curiosity.

## Multilingual experience

Guided by coaches fluent in English and Mandarin, your little one will experience a culturally rich environment that nurtures language skills naturally.

## Growing global citizens

Through fun, eco-conscious activities, we encourage kindness, empathy, and responsibility—helping children understand their place in a bigger world.

## Themed character building

Each day brings engaging themes, sparking imagination and play, while gently teaching important cognitive, social, and emotional skills.

# Curriculum overview

## **Creative workshops**

Little ones explore arts and crafts, music, dance, and drama, letting their imagination take flight

## **STEM exploration**

Hands-on activities focused on winter science, nature conservation, and local wildlife invite curiosity and discovery.

## **Cultural learning**

From Japanese traditions to global stories, connect with new cultures through cooking, art, and storytelling.

## **Snow-filled adventures**

Snowmen, nature walks, and outdoor play - experience the wonder and joy of Niseko's winter landscape.

## **Eco-conscious activities**

Nurture a love for nature and community through team-building and eco-friendly projects.

# Programme options

## Half-day package

Kids can enjoy a mix of creative activities, cultural exploration, and indoor or outdoor play. For flexibility, you can choose a morning or afternoon session.
